XCN-750™

DISPLAY SYSTEM

ALL-MAKES COMPATIBLE

Application control for every farm.

The XCN-750™ display is the latest Android™ based, easy-to-use display from CNH Industrial Aftermarket Solutions. This cost-effective solution offers great functionality and a simplified installation process, providing access to auto-steering and application control for every farm.

Add in Bluetooth® and Wi-Fi connectivity to go along with ISOBUS compatibility, and any grower can tackle farming applications from every season across all equipment brands.
